

# Every Minute Counts

## Lateness = Lost Learning

### Punctuality:

It is important that your child arrives at school on time. This helps them learn good timekeeping and reduces the chance of classroom disruption, embarrassment and awkwardness.

Pupils who arrive after registers have been closed, either in the morning or the afternoon, without an acceptable explanation or who are regularly late will be marked as **U** which is an unauthorised absence.

5 mins late each day	3 days lost
10 mins late each day	6.5 days lost
15 mins late each day	10 days lost
20 mins late each day	13 days lost
30 mins late each day	19 days lost

\*(Figures above are calculated over a school year)

**Danger zone: As few as 19 missed days over the school year reduces your chances of success. Your child's SATs results could drop by one grade across all subjects.**
